

LAUGHING AT ALL

Life is absurd, There's no flat road.
No matter what happens there's no insurance.
Happiness will be drowned out, It's feel like the fart.
Will come the time to say goodbye to the world.

(chorus)
Don't be a serious.
I always cynical.
Life is a big joke.
Therefore laughing at all.

I wanna go back in time, Get the piece of mind.
I wanna smiling on my final day.
Cheap temptation and weak sensation.
But them making my big impression.

(Repeat Chorus)

BLOW UP THE SHELL

(Chorus)
Blow up the shell.
No one is blame.
All things grow up.
Now is the time to blow up.

Fly away, fly away, you going so far away.
And you heartache slowly slipping away.

SIMILAR DAY

I'm living similar day.
Nothing ever changes always.
But now is without you.
My heart is blue.

Your souvenir is deep in my mind.
It's healing me by my side.
My life goes on and on.
'Til I loss all emotion.

PRESENT TIME

Now I'm Struggling in present time.
Now I'm Struggling in present time.

I will dedicate my all memories.

So hard to say goodbye.
I can not to be wise.
